May 29<sup>th</sup>, 2023

Monday AM Edition

On behalf of the Canadian committee executive and Canadian participants, I would like to thank the SCOPE 2023 BSA committee for inviting us down to beautiful Resica Falls to participate in this fantastic event. Next year we would like to extend to all of American Scouts an invitation to beautiful Ontario, Canada to participate in SCOPE 2024 on Memorial Day weekend. Our team is already planning epic events and entertainment for your enjoyment. We look forward to seeing you all there and making next year's camp better than ever!

On behalf of all the Youth of Scouts Canada here this weekend, thank you for your warm welcome and hospitality here in Pennsylvania for SCOPE 2023. It has been an incredible experience for us all, and I know there were lasting friendships made here between Canadians and Americans this weekend. I would now like to invite all the Scouts BSA Youth here, and those that couldn't attend SCOPE 2023, to Ontario, Canada next year for SCOPE 2024. I can guarantee so many exciting events and activities that you will remember for years to come. We can't wait to offer you the best SCOPE ever!
